Hi Paul,

Thank you very much for reaching out to coordinate a response to Senator Warren's letter. This is perfect timing. We've got a draft letter written up and were going to reach out to DOE to discuss.

I have cc'd William, our Associate Administrator of Congressional and Intergovernmental Relations, who will be key in delivering our response to the letter.

Are you available this week or early next week to discuss?

Best regards,

Grant

Subject: Senator Warren Cryptocurrency Letter

Hi Grant,

I'm leading drafting the DOE response to the recent letter from Senator Warren on cryptocurrency ([2022.07.15 Letter to EPA and DOE Re Cryptomining Environmental Impacts.pdf \(senate.gov\)](#)). I wanted to connect with whomever is leading the response from EPA to make sure we are coordinated in our response. Are you leading that or could you point me to who is working on it?

Thanks,
Paul
